Our Story

Al Shaheer Corporation entered the world of meat business in 2008 starting from humble beginnings and growing into a renowned name within a short span of time. The powerful fundamental values of teamwork, integrity, excellence, community service and consumer focus form the foundation of this business which aimed to serve and go beyond the expectations of the customers. Our meat products have always satisfied our consumers with the high hygiene and health standards we have always met, thus enabling us to grow and reach top levels in this industry.

Gadap Town - Karachi is home to our class apart abattoir, designed customarily as an answer to

ALSHAHEER

the global need and demand of Halal meat. Well organized logistics, spotless lairage area, cold storage and chillers imported from Australia, all make this abattoir one of the very best; and its capacity of 40 heads per hour makes it the country's largest private slaughtering facility. This has been further certified by the departments of health and food of Middle Eastern GCC countries as well. And if one would wonder who leads the meat export of Pakistan, the answer would be *Al Shaheer Corporation* venturing into export markets of Saudi Arabia, Dubai, Kuwait, Oman, Bahrain and Qatar in 2009.

'Meat One', the first red meat brand of Al Shaheer came into being in 2010 with the objective of providing innovative and convenient 'one stop fresh meat solutions' to consumers, placing us in the center of the fresh meat retail market of Pakistan. This brand offers various kinds of fresh meat operating through exclusively designed outlets as well as standard shop-in-shop models. The quality standards of Meat One are unmatched at every level of the meat selection process. Highest quality cattle is chosen as the first step of our process. Getting the cattle checked by skilled vets comes next as health and safety are the two top most priorities. These are then slaughtered in a completely halal way at our abattoir, sectioning and processing them in large cuts before transporting them in hygienic refrigerated trucks to various outlets.

'Khaas Meat'. Al Shaheer's second retail brand emerged in 2014. This brand stands for three key elements: quality, hygiene and affordability. Neighborhood butcher shops were given a whole new look and meaning by this brand. The brand's reach further increased in 2015 through shop-in shop models in busy superstores across the major cities of Pakistan.

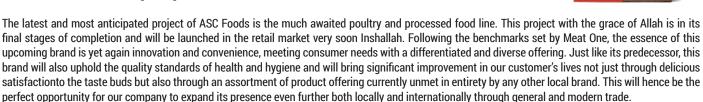

It was the same year that Al Shaheer Foods achieved yet another important milestone and became a corporate limited company, being listed on the Stock Exchange. The company transitioned to Al Shaheer Foods from Al Shaheer Corporation in the first month of 2017, with the objective of establishing itself as a 'foods' company. Keeping this objective in mind, products like poultry, ready-to-cook / ready-to-eat products, fruits and vegetables are now being considered to be further included in the line of business as well.

The list of international accreditations to Al Shaheer Foods is nothing less than impressive. These include the ISO 9001:2015, ISO 22000:2005, HACCP for quality and food safety standards in the production process, SAFE Food Award 2009 & 2010 by URS for quality and hygiene. The Federation of Pakistan Chambers of Commerce and Industry has also awarded Al Shaheer Foods with the 'Best Export Performance' Award in 2009, 2010, 2012 and 2013 for Fresh and Frozen Meat while Exhibitor (Pvt.) Ltd. has awarded us with Brand of the Year Award in 2009 and Best Emerging Brand of the Year 2009.

The Directors of your Company are pleased to present unaudited financial results of the Company for first guarter ended September 30, 2020.

Operational Performance

Summarized operating performance of the company for the quarter is as follows:

	Quarter ending September 30, 2020	Quarter ending September 30, 2019
	(Rupees	in '000)
Turnover	1,500,827	977,447
Cost of Sales	(1,104,768)	(648,863)
Gross Profit	396,059	328,584
Expenses	(296,639)	(311,726)
Other Income	468	850
Taxation	(20,627)	4,412
Net Profit / (Loss) for the Period	79,261	22,120
Basic & Diluted EPS (Rs./Share)	0.40	0.11

This quarter, sales trend had a seasonal impact of Eid ul Azha. However, sales were considerably higher than same period last year, showing 54% growth over last year. Qurbani service this year, was a major success during the quarter, where we were able to serve twice more customers versus last year, resulting in 100% growth in Turnover as well as project profitability.

Our team is fully aligned and consistently working on bringing operational efficiencies, while at the same time increasing the topline, which has resulted in positive bottom line during Q1 20-21.

Future Outlook

The company is on its track to increase topline by strategically increasing profitable export and local b2b customer base as market demand comes back to normal and expanding local retail network through strategic alliances with modern trade. Further, the company will continue to work with optimized resources to ensure efficiencies and positive results. Given the post-covid scenario, opportunities in local retail have grown, both in brick-and-mortar and ecommerce channel, which will be materialized through careful planning and execution. However, Institutional sales channel is vulnerable due to reoccurrence of Covid-19 and subsequent lockdowns in major cities of Pakistan, which has a direct impact on Institutional sales. The Management is continuously working to minimize the loss of business by evaluating new verticals in Institutional sales channel.

Acknowledgment

The Board is thankful to its valuable stakeholders for their trust and continued support to the company. The Board would also like to place on record its appreciation to all employees of the company for their dedication, diligence and hard work.
