# Our Story

Al Shaheer Corporation entered the world of meat business in 2008 starting from humble beginnings and growing into a renowned name within a short span of time. The powerful fundamental values of teamwork, integrity, excellence, community service and consumer focus form the foundation of this business which aimed to serve and go beyond the expectations of the customers. Our meat products have always satisfied our consumers with the high hygiene and health standards we have always met, thus enabling us to grow and reach top levels in this industry.

Gadap Town - Karachi is home to our class apart abattoir, designed customarily as an answer to

**ALSHAHEER**

the global need and demand of Halal meat. Well organized logistics, spotless lairage area, cold storage and chillers imported from Australia, all make this abattoir one of the very best; and its capacity of 40 heads per hour makes it the country's largest private slaughtering facility. This has been further certified by the departments of health and food of Middle Eastern GCC countries as well. And if one would wonder who leads the meat export of Pakistan, the answer would be *Al Shaheer Corporation* venturing into export markets of Saudi Arabia, Dubai, Kuwait, Oman, Bahrain and Qatar in 2009.

'Meat One', the first red meat brand of Al Shaheer came into being in 2010 with the objective of providing innovative and convenient 'one stop fresh meat solutions' to consumers, placing us in the center of the fresh meat retail market of Pakistan. This brand offers various kinds of fresh meat operating through exclusively designed outlets as well as standard shop-in-shop models. The quality standards of Meat One are unmatched at every level of the meat selection process. Highest quality cattle is chosen as the first step of our process. Getting the cattle checked by skilled vets comes next as health and safety are the two top most priorities. These are then slaughtered in a completely halal way at our abattoir, sectioning and processing them in large cuts before transporting them in hygienic refrigerated trucks to various outlets.

'Khaas Meat'. Al Shaheer's second retail brand emerged in 2014. This brand stands for three key elements: quality, hygiene and affordability. Neighborhood butcher shops were given a whole new look and meaning by this brand. The brand's reach further increased in 2015 through shop-in shop models in busy superstores across the major cities of Pakistan.

It was the same year that Al Shaheer Foods achieved yet another important milestone and became a corporate limited company, being listed on the Stock Exchange. The company transitioned to Al Shaheer Foods from Al Shaheer Corporation in the first month of 2017, with the objective of establishing itself as a 'foods' company. Keeping this objective in mind, products like poultry, ready-to-cook / ready-to-eat products, fruits and vegetables are now being considered to be further included in the line of business as well.

The list of international accreditations to Al Shaheer Foods is nothing less than impressive. These include the ISO 9001:2015, ISO 22000:2005, HACCP for quality and food safety standards in the production process, SAFE Food Award 2009 & 2010 by URS for quality and hygiene. The Federation of Pakistan Chambers of Commerce and Industry has also awarded Al Shaheer Foods with the 'Best Export Performance' Award in 2009, 2010, 2012 and 2013 for Fresh and Frozen Meat while Exhibitor (Pvt.) Ltd. has awarded us with Brand of the Year Award in 2009 and Best Emerging Brand of the Year 2009.

ASC Foods is certified on following regulatory & international standards:

- ISO 9001:2015
- ISO 22000:2005
- ISO 14001: 2015
- OHSAS 18001: 2007
- HACCP
- Pakistan Halal standard PS3733:2016
- Malaysian Halal standard MS 1500
- UAE/GSO Halal slaughtering standard 993:2015

The latest and most anticipated project of ASC Foods is the much awaited poultry and processed food line. This project with the grace of Allah is in its final stages of completion and will be launched in the retail market very soon Inshallah. Following the benchmarks set by Meat One, the essence of this upcoming brand is yet again innovation and convenience, meeting consumer needs with a differentiated and diverse offering. Just like its predecessor, this brand will also uphold the quality standards of health and hygiene and will bring significant improvement in our customer's lives not just through delicious satisfaction to the taste buds but also through an assortment of product offering currently unmet in entirety by any other local brand. This will hence be the perfect opportunity for our company to expand its presence even further both locally and internationally through general and modern trade.

With the grace of Allah, we have always been able to supersede the benchmarks created every year by ourselves. This has only been possible because of the astounding support shown by everyone associated with us. It is our key stakeholders; be it our customers, suppliers, employees, agencies, bankers or shareholders, whose unwavering support is what keeps us driven. And as this support keeps increasing, so will our dedication to attain even higher standards and go beyond your expectations every year.

## INDEPENDENT AUDITOR'S REVIEW REPORT

### TO THE MEMBERS OF AL SHAHEER CORPORATION LIMITED

### REPORT ON REVIEW OF UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS

#### Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of **Al Shaheer Corporation Limited** (the Company) as at **31 December 2020**, and the related unconsolidated condensed interim statement of profit or loss, unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed interim statement of changes in equity, unconsolidated condensed interim statement of cash flows and notes to the financial statements for the six-months period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these unconsolidated condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these unconsolidated condensed interim financial statements based on our review. The figures of the unconsolidated condensed interim statement of profit or loss and unconsolidated condensed interim statement of comprehensive income and the notes forming part thereof for the three-months period ended 31 December 2020 and 2019 have not been reviewed, as we are required to review only the cumulative figures of the six-months period ended 31 December 2020.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial statements is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Mr. Shaikh Ahmed Salman.

- Level 3:** those with inputs for the asset or liability that are not based on observable market data (unobservable inputs).
