Directors' Review

The Board of Directors is pleased to present a brief performance review along with the unaudited condensed interim financial statements of the Company for the half year ended 31 December 2025, duly reviewed by the external auditors in accordance with applicable requirements.

Business Review

The Company is engaged in the processing, packaging, and marketing of halal meat and related products, serving both domestic and international markets. The management has undertaken several initiatives, these include test runs to evaluate plant efficiency, fine-tune production parameters, and ensure readiness for full-scale operations. Efforts are also underway to build a capable team to manage the Company's primary and further food processing lines. Both divisions are currently operating on a small scale, focusing on the introduction of new product ranges and the development of both retail and B2B channels.

Financial Performance

The financial performance of the Company for the period under review is summarized below:

Description	December 2025	December 2024
	Rupees in '000'	
Turnover - net	1,062,527	149,590
Gross loss	(95,959)	(145,887)
Operating loss	(52,661)	(216,463)
Net loss after tax	(66,692)	(218,333)
Loss per share	(0.18)	(0.58)

Although the Company achieved substantial revenue growth during the period under review, however, profitability remained under pressure primarily due to elevated input costs, pricing constraints, and mainly due to fixed overheads incurred in the absence of full-scale business activity. Management is actively focused on:

- Improving gross margins through maximum utilization of capacities, better procurement and pricing strategies.
- Rationalizing operating expenses.
- Optimizing working capital management.

Continuous efforts are being made to strengthen operational efficiencies and enhance overall performance.

Future Outlook

The management remains cautiously optimistic regarding the Company's future performance. With improving market dynamics, strategic cost-control measures, and enhanced operational

focus, the Company expects gradual improvement in financial results in the upcoming periods. The Board is committed to implementing prudent financial and operational strategies to safeguard shareholders' interests and steer the Company toward sustainable profitability. The Directors are confident that corrective measures being implemented will support improved performance in the second half of the financial year.

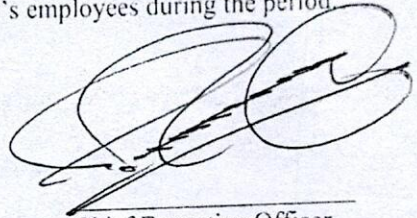

Acknowledgement

The Directors would like to express their appreciation for the continued support and confidence of shareholders, customers, financial institutions, regulators, and business partners. The Board also acknowledges the dedication and hard work of the Company's employees during the period

بورڈ آف ڈائریکٹرز کو یہ بتاتے ہوئے خوشی ہو رہی ہے کہ وہ 31 دسمبر 2025 کو ختم ہونے والی ششماہی مدت کے لئے کمپنی کی کارکردگی کا مختصر جائزہ اور غیر آڈٹ شدہ مختصر عبوری مالیاتی حسابات پیش کر رہے ہیں، جو کہ قابل اطلاق تقاضوں کے مطابق بیرونی آڈیٹرز کی جانب سے جائزہ شدہ ہیں۔

کاروباری جائزہ

کمپنی حلال گوشت اور اس سے متعلقہ مصنوعات کی پروسیسنگ، پیکجنگ اور مارکیٹنگ کے کاروبار سے وابستہ ہے اور ملکی و بین الاقوامی دونوں منڈیوں کو خدمات فراہم کر رہی ہے۔ انتظامیہ نے اس سلسلے میں متعدد اقدامات کیے ہیں، جن میں پلانٹ کی استعداد کار کی جانچ کے لئے اسے تجرباتی طور پر چلانا، پیداواری معیارات کو بہتر کرنا اور اسے مکمل استعداد کار پر چلانے کے کی تیاری شامل ہے۔ اس کے ساتھ کمپنی کی بنیادی اور مندی خوراک کی مصنوعات کی عمل کاری کو بہتر طریقے سے چلانے کے لئے ایک قابل ٹیم کی تشکیل جاری ہے۔ اس وقت دونوں ڈویژنز محدود پیمانے پر کام کرتے ہوئے نئی مصنوعات کو متعارف کروانے کے ساتھ پرچون اور کاروباری صارفین کے ساتھ روابط کو بہتر کیا جا رہا ہے۔

مالیاتی جائزہ

زیر جائزہ مدت کے دوران کمپنی کی مالی کارکردگی کا خلاصہ درج ذیل ہے:

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Al Shaheer Corporation Limited

Report on review of Unconsolidated Condensed Interim Financial Statements

Grant Thornton Anjum Rahman

1st & 3rd Floor,
Modern Motors House,
Beaumont Road,
Karachi, Pakistan.

T +92 21 35672951-56

Introduction

We were engaged to review the accompanying unconsolidated condensed interim statement of financial position of Al Shaheer Corporation Limited as at December 31, 2025 and the related unconsolidated condensed interim statement of profit or loss, the unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed interim statement of changes in equity and unconsolidated condensed interim statement of cash flows and notes to the unconsolidated condensed interim financial statements for the six-months period then ended (here-in-after referred to as the “condensed interim financial statements”). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review. However, because of the matters described in the Basis for Disclaimer of Conclusion paragraph, we were not able to obtain sufficient appropriate evidence to provide a basis for expressing a conclusion on the unconsolidated condensed interim financial statements.

Scope of Review

We were engaged to conduct our review in accordance with International Standards on Review Engagements 2410, “Review of Interim Financial Information performed by the Independent Auditor of the Entity”. A review of unconsolidated condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Disclaimer of Conclusion

- i. As described in note 1.2 to the unconsolidated condensed interim financial statements, the Company has faced severe financial, operational, and regulatory challenges, including breaches of covenants, terms and conditions of financing facilities, legal proceedings, regulatory investigations, non-realization of export receivables, and placement on the PSX's non-compliant segments. As a result, the Company incurred heavy losses, with accumulated losses of Rs. 4,903.14 million as of December 31, 2025 and its current liabilities exceeding current assets by Rs. 3,155.30 million, creating material uncertainty about its ability to continue as a going concern. Although, the management prepared the unconsolidated condensed interim financial statements on a going concern basis and disclosed a revival plan, we were unable to obtain sufficient appropriate audit evidence

regarding the assumptions underlying this plan and accordingly, could not determine whether any adjustments might have been necessary to the unconsolidated condensed interim financial statements had the going concern assumption been inappropriate.

- ii. As disclosed in note 1.2, the Company was non-compliant with several statutory and regulatory requirements, including the Companies Act, 2017, income and sales tax laws (including related payments).
- iii. The Company has borrowings of Rs. 2,715.99 million in unconsolidated condensed interim financial statements. Due to breaches of loan covenants, terms and conditions as mentioned in note 1.2 to the unconsolidated condensed interim financial statements, these borrowings should be classified as current liabilities instead of non-current. The Banks have also filed suits against the Company, and the outcomes are uncertain. As a result, we are unable to verify the completeness, rights and obligations of these balances as at the reporting date due to uncertainty and absence of sufficient appropriate audit evidence. Furthermore, the Company has not recorded any accrued markup on such borrowings.
- iv. We were unable to obtain sufficient audit evidence to verify the completeness and validity of the payables amounting to Rs. 391.323 million included in trade and other payables in the unconsolidated condensed interim financial statements, including Rs. 22.84 million related to satisfaction of Workers' Profit Participation fund's liability due to lack of corroborative evidence. Accordingly, we were unable to determine whether any adjustments might be necessary in respect of these liabilities.
- v. We were unable to obtain sufficient appropriate evidence regarding the export rebate receivable of Rs. 174.6 million included in other receivables due to lack of adequate supporting documentation. Accordingly, we could not determine whether any adjustments might be necessary in respect of these receivables.
- vi. The Company has recognized a gratuity liability of Rs. 118.93 million. However, a detailed employee-wise breakup of the liability was not available as at the reporting date. Additionally, no further provision has been recorded since October 1, 2023, as the eligible employees left the Company. In the absence of this supporting information, we were unable to verify the completeness and accuracy of the gratuity liability recognized in the unconsolidated condensed interim financial statements.
- vii. As disclosed in note 8 to the unconsolidated condensed interim financial statements, the Company has various pending litigations. Further, the Securities and Exchange Commission of Pakistan (SECP) is investigating the affairs of the Company. The ultimate outcome of these pending litigations and investigations cannot presently be determined and hence, we cannot determine the amount of adjustments required in these unconsolidated condensed interim financial statements.

Disclaimer of Conclusion

Due to the significance of the matters described in the **“Basis for Disclaimer of Conclusion”** section of our report, we have not been able to obtain sufficient appropriate evidence to form a conclusion on the accompanying condensed interim financial statements as at December 31, 2025. Accordingly, we do not express a conclusion on these condensed interim financial statements.

Other Matter

Pursuant to the requirements of section 237(1)(b) of the Companies Act, 2017, only cumulative figures for the half year, presented in the second quarter accounts are subject to limited scope review by the statutory auditors of the Company. Accordingly, the figures of the unconsolidated condensed interim statement of profit or loss and unconsolidated condensed interim statement of comprehensive income for the three months period ended December 31, 2025 have not been reviewed by us.

The engagement partner on the audit resulting in this independent auditor's report is **Muhammad Khalid Aziz**.

Chief Executive Officer

Director

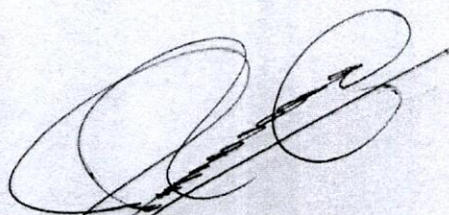

Acting Chief Financial Officer

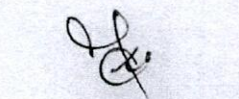

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS
FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2025

1 THE COMPANY AND ITS OPERATIONS

- 1.1 Al Shaheer Corporation Limited (the Company) was incorporated on 29 June 2012 and is quoted on Pakistan Stock Exchange. The Company is principally engaged in trading of different kinds of halal meat including goat, cow, chicken and fish, both for export market and local sales through chain of retail stores. Geographical location and address of all the business units are as under:

Location	Business Unit
Suit # G/5/5, 4th Floor, Mansoor Tower, Block-8, Shahr-e-Roomi, Clifton, Karachi	Registered office
Plot Bearing Survey No. 348, Deh Shah Mureed, Tappo, Songal, Gadap Town, Karachi	Slaughter house
3.5km Manga Road Raiwand, Lahore	Poultry plant

- 1.2 During the year ended June 30, 2024, the Company encountered severe management and operational disruptions that significantly impacted its performance and financial standing. The Chief Executive Officer resigned on February 1, 2024, followed by the resignation of the entire Board of Directors and the Company Secretary on October 10, 2024. These developments left the Company without a duly constituted Board or senior management for a significant period, resulting in a leadership vacuum and a breakdown in effective oversight. As a result, production operations were severely curtailed, with facilities running at minimal capacity. This led to a sharp decline in sales and erosion of market share.

The situation was further exacerbated by regulatory actions. The Securities and Exchange Commission of Pakistan (SECP) launched investigations under Section 29 of the Securities Act, 1997. Additionally, the State Bank of Pakistan (SBP) initiated proceedings against former directors for violations of foreign exchange regulations, particularly regarding delays in submission of export documents and non-realization of export proceeds. As at the reporting date, the Company has not recovered its outstanding export receivables, and related matters remain under review with SBP.

These challenges have led to further complications, including breaches of loan covenants and terms with financial institutions. The SECP and financial institutions have initiated legal actions for the recovery of outstanding loans.

In response, and under the directive of the SECP, the Company's sponsors and shareholders appointed a new Board of Directors, Chief Executive Officer, and Chief Financial Officer subsequent to the year end.

The financial performance during the year further deteriorated, with the Company incurring a net loss of Rs. 66.6 million. As of December 31, 2025, accumulated losses stood at Rs. 4,903.14 million, and current liabilities exceeded current assets by Rs. 3,155.30 million. These adverse conditions raise significant doubt about the Company's ability to continue as a going concern.

Nevertheless, the newly appointed Board and management have initiated a strategic recovery plan. Key measures include stabilizing the governance framework, rectifying prior regulatory non-compliances, and resuming plant operations. Efforts are also underway to rebuild stakeholder relationships and attract large institutional clients, including international franchise groups. The revised business model now emphasizes a shift towards institutional clientele over the retail segment, with the aim of achieving long-term profitability and operational sustainability in order to ensure the Company's ability to continue as a going concern.

Furthermore, the Company is actively working with financial stakeholders to restructure its existing loan facilities. The Board remains confident that the ongoing revival plan, supported by stakeholders, will gradually restore financial health and operational stability.
